

Candidacy Referral Program

***Do you know someone who is interesting in new challenges
and in being part of an exciting future with a dynamic company?
You could be eligible to a \$500.00 BONUS!!!***

At Nuera, we believe that all employees in its three business units are the most reliable and efficient source of referral for new candidates. That is why Nuera wishes to reward, with a \$500.00 bonus, any employee who has referred a candidate hired as a regular (full time) employee, subject to the following conditions:

- ❖ The candidate must still be in place six (6) months after his hiring date;
- ❖ When a candidate hired for a temporary position becomes a regular (full time) employee;
- ❖ The candidate should not have been hired for a student or trainee position.

Nuera Air is presently searching for an Assembly Unit Supervisor

Our **Nuera Air** business unit located in Laval, a leader in the design, manufacturing and distribution of the complete line of Duovac and Husky central vacuum systems (CVS) for the residential market, is presently looking for one dynamic person to fill this position.
