

DUOVAC

We vacuum,
you breathe better

Central vacuum systems
duovac.com

Innovative. Complete. Quiet.

- The most complete central vacuum system offering superior suction power with an extra large capacity canister
- Patented innovative design of superior quality
- Ultra-silent power unit
- High-performance filtration system for superior air quality
- Hybrid system, may be used with or without a filtration bag
When used with a filtration bag, it performs a double-filtration for unparalleled air quality and prevents contact with dust and allergens
- Perfectly suited for large areas
